5. College : Tamenglong College, Tamenglong
6. Designation : Assistant Professor
7. Date of Joining : 11/06/1996
8. Date of appointment (by Government Conversion) : 31/3/AIDED-COL/CONVSN/HE-16,
dated 10/08/2022.
9. Professional Qualification : M.Sc. (Physics), M.Phil
10. Specialisation : Advanced Nuclear & Particle Physics
11. Workshop/Seminar/Orientation/Refresher course/Training Programmed Attended/Publication :
 - i. National seminar-cum workshop on "Luminescence and its Applications (NSWLA – 2011)" from 10-11 Nov. 2011 organized by Deptt. Of Physics, Thoubal College, Thoubal, Deptt. Of Radiotherapy, RIMS, Imphal and Deptt. Of Physics, Churachanpur College, Churachandpur.
 - ii. National Workshop on "Traditional Health care systems, Rights and Their Relevance for sustainable Livelihood" form 8-9 May, 2015 organized by Waikhom Mani Girls, College, Thoubal.
 - iii. "International conference on Emerging Trends in Science and Engineering Research (ESTER) – 2015" organized by Deptt. of Basic Science and Humanities. National Institute of Technology (NIT) Manipur.
 - iv. A five days workshop on "Synthesis Characterisation of Electroceramics and Composites for Device Application " , organized by Deptt. of Physics, NIT, Manipur held form 03-07 Sept, 2018.
 - v. Two days National workshop on "Research and publication Ethics", organised by School of Education, Manipur University held form 15-16 January, 2021.
 - vi. One week short Team Certificate course on "Synthesis, Characterizations and Applications of Nanostructured Materials" organised by Deptt. of Physics, NIT, Manipur held from 16-20 feb, 2021.
 - vii. National seminar on "Applications of Science in the Modern Era" Organised by Deptt. of Physics, Moirang college, Moirang held on 18th Dec. 2021.
 - viii. National conference on "Emerging Trends of Nanoscience in Modern Technology (ETONIMT) organised by Deptt. of Physics and Academic Board of Studies, Ideal Girls' College, Akampat, Imphal East held on 18th April, 2022.
 - ix. One day seminar on "Role of Radiation in this Modern Era" organised by Deptt. of Physics Standard College, Kongba, held on 28th May, 2022.
 - x. Title " Study of Structured and Morphological Properties of ZnO Thin Films Prepare Chemical Bath Deposition Technique".
 - xi. Title : "Characterization of ZnO Nano Crystalline Thin Film Synthesised by Chemical Bath Deposition Technique.
